

Guidance notes for completion of EA2(a), (b), (c) and (d)

Each form illustrates the topics covered on the relevant Diploma paper.

1. Prior to completing this form read through the topics covered and consider how your previous qualification(s) demonstrate(s) coverage of each topic at a level equivalent to the Diploma.
2. In the box entitled 'Details of prior coverage' please identify the qualification you have obtained which covers the relevant topic on the syllabus. You should also identify the part of the course on which this topic was studied, how the topic was examined and the date that you passed the qualification. Please include as much detail as possible.

For example:

<p>Domestic and the international (Eurobond) bond markets</p>	<p>Securities and Investment Institute (SII) Diploma, Bond and Fixed Interest Markets module s.6 (Domestic bond markets) s.7 (International bond markets)</p> <p>Assessed by way of 3 hour closed-book examination.</p> <p>Completed June 2007.</p>
---	---

3. Please attach an official syllabus of any qualification on which your application is based. Please also submit verification that you have obtained the qualification.
